

Georgia House of Representatives

House Member Photographs

These materials are provided in electronic format by the Georgia House of Representatives as a public service for public information purposes. The use of these materials for any type of political campaign purposes is specifically prohibited because state law prohibits the use of state resources for such purposes. The information provided herein does not constitute an official record of the General Assembly and no warranty or guarantee of any kind is provided.

Clicking on the link below to *House Candid, Group, and Portraits* takes you to galleries that are hosted by a private, third-party vendor. You may view, download, and print any photograph contained in these galleries free of charge. As an additional service, you may also purchase a professionally developed print that will be shipped to you by the private, third-party vendor. Please note, however, that the Georgia House of Representatives is not a party to, and does not receive any proceeds from the purchase of any print(s).
